Architectural Drawing - 'For illustration purposes only'.

"Who is it that would loan Allah a beautiful loan so He may multiply it for him many times over? And it is Allah who withholds and grants abundance, and to Him you will be returned." (2:245).

Past...

Our community has been in Hamilton since the early 1970's. During this time all the religious functions were held at private homes and later, as the number of attendees increased, in rented halls.

In 1974 The Hamilton Jamaat was formed to cater for Shias both from Africa and others parts of the World.

It was in the year 1989 that through the generous donation of the late Amirbhai Sunderji a property was purchased at 95 Mead Avenue in Hamilton to house our Shia Centre.

Renovations and modifications for use as a Centre were done and the Centre was ready for occupancy in the year 1990. The property was then used as our Centre in Hamilton until the year 2009, when owing to its deteriorating conditions, it was declared unsuitable and unusable.

Present...

In order to carry out all our religious functions, the Hamilton community rents various Centres including the Dawoodi Bohra Centre at present.

Future...

We have now begun the construction of the new facility at 95 Mead Avenue, Hamilton. The new Centre is approx 4400 sq ft consisting of two main halls to accommodate at least 250 people for Salah, Lectures and Madressah. Inshallah there will also be a kitchen facility and a Zari room . The completion of this project is expected to be in summer of 2016.
