Parents

We have learnt that treating parents with kindness and compassion is a quality loved by Allah (s.w.t).
 What can we do to show kindness towards our parents?

First, ponder over what you have been doing to help your parents. Then, look at the following images and use them as a guide to help you decide what you can do to show love and kindness to them.

In the space provided, explain what you will do for your parents

For example: *I have been helping mom set the table. I will be more helpful by*
